PRESIDENT'S CORNER

Holiday Greetings,

The show season is winding down and the CAHC invites you to attend our Annual Holiday Party and Awards Celebration at the Holiday Hoorah Horse Show on December 13th at the National Western Stock Show Events Center. We will hold our Annual Club meeting as well as recognize the Adult and Youth Year End High Point Winners for 2019. Outstanding Club volunteers will also be recognized for their contributions to CAHC. It has been a busy year for the Club and another year of successful shows and events. Although participation at some of our shows was down due to things like VS, we still enjoyed a prosperous year thanks to the hard work of your Officers, Board of Directors and, Volunteers that make all of these events happen.

CAHC Youth did great at Youth Nationals as did many Colorado trainers and members that showed at Canadian and U.S. Nationals. Once again, the CAHC/Region 8 Horse Judging team represented our Club well at the AHA Horse Judging contest. It makes one proud to attend those events and to see our members and friends be the big winners in tough competition. One of the things that stands out the most to me, is to see the camaraderie and

friendship amongst our Colorado trainers and Club members. At many of the shows, including Regionals and Nationals, it is not uncommon to see the Colorado trainers working together with their Youth and Amateurs, helping each other. Trust me, it's not like this everywhere! It's great that these talented trainers can work together

and have enough respect for one another to be able to do this. The big winners are the clients who benefit from the advice from all of these outstanding professionals. I'm not the only one that has noticed this, as I've heard comments from trainers from other Regions expressing their admiration and commenting "the trainers where I'm from wouldn't do this!"

We in Colorado are so very lucky to have these great folks as our members and in some cases, your Club Officers. Go watch some of the working western classes at the shows and see the exhibitors cheering for their competition and laughing and have great fun when showing.

That is what this is supposed to be and why we all do this! Join us at the CAHC Christmas Party and share the fun.

Happy Holidays!

Jerry Martinez
